A LETTER FROM PASTOR EDIE

I am looking forward to joining you as your pastor on April 14; I am excited to see what God will do with us and to get to know all of you. In the meantime, I thought you might like to know a little more about me and my family.

I was born and raised in Grand Rapids, Michigan. I am the oldest of 4 and there are 4 ministers in my family (*though not all my siblings are clergy*). For the past 10 years, I have been serving First Reformed Church in Fulton, Illinois, a small town on the Mississippi River. Before that, I spent 6 years in the Lakeview/Logan Square neighborhood of Chicago serving a congregation called Church of the Good News. For me, ministry has always been about relationships, connection, and learning together. I am excited to learn from you and with you.

As for the rest of the family, Brian and I have been married almost 18 years. Brian is originally from Crestwood; we met at Valparaiso University in Indiana. Brian is a research chemist in the oil and lubricant industry. When not “playing” in the lab, he is an avid golfer, always looking for an excuse to get on the course. He is also a classic car enthusiast, particularly Oldsmobile. As a result, we spend a lot of time at car shows with our two Oldsmobiles--a 1977 Cutlass Supreme and a 1994 Cutlass Convertible.

Caleb is 12 and in the midst of middle school. We tell ourselves that he is a typical middle school boy; obsessed with all things Nintendo, American Ninja Warrior, and Chicago sports (Bears, Blackhawks and Cubs). Caleb is also involved in Boy Scouts, something he wants to continue after we move. He is smart, energetic, and has a huge, sensitive heart.

As a family, our vacations usually center around the location of the Oldsmobile National Meet where Brian is serving on the board and where Caleb and I clean the cars and find adventures. We are lovers of sports and try to hit baseball parks in our travels. In addition to the three of us, we have two dogs in our family. Sharpie is a lab/pit/mutt we adopted from a rescue who is part couch potato and self-appointed guardian of the neighborhood (*we have a lot of dangerous leaves that need to be barked at*). Gracie is a fox-red Labrador who has spent the past 9 months serving as the office mascot at First Reformed Church.

As many of you are aware, in the 10 years I have served in Fulton, Brian has been working in the Chicagoland area and coming out to see us on the weekends. We are excited about what this move will mean for us as a family, as well as the new adventure at HHPC. In the short term, we will be living in Tinley Park where we have a townhouse that is up for sale. Once that home sells, we have a contract for a house on the eastern side of Lockport. We are prayerful that things will progress so that we are able to get settled soon.

While my first Sunday will be on April 14, I will be in the office beginning on April 8. A couple of other things you might want to know. I plan to be in and around the church during the week--Monday through Thursday.

I have an open-door policy that says unless I am in a meeting, you will find my door open and you are welcome to stop in, visit, and allow me to get to know you. I am a passionate believer that as God’s people we are to serve and live our faith in the places we go every day. I am excited to see how God will use us and to learn more about the ways God is already using the people of HHPC.

Until we gather together officially...

Grace and Peace in Christ!
Pastor Edie

Preparing My Heart for Easter

As we all await the wondrous celebration of Easter, here are some ways on how we might prepare ahead as we remember Jesus' life and His resurrection.

- Reflect on the love of God expressed in Jesus' suffering--the pain, the grief, and the anguish that He experienced. Then, meditate upon the fact that Jesus rose from the dead!
- Read the resurrection accounts in each of the gospels (*Matthew 28, Mark 16, Luke 24, John 20*) and *1 Corinthians 15* which contains the earliest account of the post-resurrection appearances of Jesus.
- Take time to consider specific ways in which Jesus' resurrection affects your life. Write down your thoughts on paper and reflect on what you've written.
- Reflect on the fact that Jesus has gone before us to clear the way so that we may reach the Father, and then meditate on the words of Jesus:
 "Do not let your hearts be troubled. Believe in God, believe also in me. In my Father's house there are many dwelling places. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to myself, so that where I am, there you may be also." (*John 14:1-3*)
- Spend a few minutes in prayer each day, simply thanking God for the resurrection.

MAY EASTER REMIND YOU OF THE LOVE AND PROMISES OF OUR RISEN LORD!

BIBLE STUDY IN APRIL

In April we will center around the following topics:

Be honorable. – It is important to God for us to live an honest, honorable life and just as important, to learn to make good choices.

Be wise. – Daniel makes wise choices.

Be patient. – As we study Jacob, we learn how he showed patience.

Be compassionate. – Jesus Feeds the Five Thousand.

Be joyful. – "Rejoice always." (1 Thessalonians 5:16)

Note.--The last Kids Club meet for the school year will be Monday, May 6th and will resume in September.

This year's theme:

**IN THE WILD:
AMAZING ENCOUNTERS
WITH JESUS**

WOMEN'S BIBLE STUDY "Sharing at the Table"

Every good endowment and every perfect gift is from above, coming down from the Father of lights with whom there is no variation or shadow due to change. Of his own will he brought us forth by the word of truth that we should be a kind of first fruits of his creatures. (James 1:17-18)

We finished the letter to the Hebrews which was easier to comprehend because of its clarity.

"James, a servant of God and of the Lord Jesus Christ" (James 1:1), traditionally identified as James, brother of Jesus. The brothers didn't believe in him until Jesus' ascension where they were found with the Jerusalem church. James became a leader in the church. His letter speaks about true religion, true faith and true wisdom.

Come join us as we look forward to the celebration of the Resurrection of our Lord and Savior, Jesus Christ!

Happy Easter to All! --Love & Hugs, Arlene Pearson

Risen Jesus, I know that You are with me. Keep me ever mindful of how You are a part of my life in a deep and profound way. Surprise me with a touch of Your love in places where I never thought that I would find You. Fill my heart with hope. May the gift of Your presence transform every ordinary moment of mine into a sacred place where You dwell. Help me to see this gift through the eyes of faith. Fill me with Your peace all the days of my life. Amen.

Speaking of Flowers

Many poems have been written that express the beauty, splendor and personal meaning of flowers. Here are a few short poems for your enjoyment and reflection with the hope they will “speak” to you.

"Each flower is a soul opening out to nature."
"Love is like a flower--with proper nurturing it blooms and flourishes as each day passes."
"The world is a rose; smell it and pass it to your friends."
"Flowers are love's truest language."
"I will touch a hundred flowers and not pick one."
"Flowers are the sweetest things God ever made and forgot to put a soul into."

~ ~ ~

"What grows in the garden, so lovely and rare?
Roses and Dahlias and people grow there."
"Take time to smell the roses."
"If there were nothing else to trouble us, the fate of the flowers would make us sad."
"What a desolate place would be a world without a flower! It would be a face without a smile, a feast without a welcome."
"With a few flowers in my garden, half a dozen pictures and some books, I live without envy."

~ ~ ~

"If seeds in the black earth can turn into such beautiful roses, what might not the heart of man become in its long journey toward the stars?"
"Little flower, but if I could understand what you are, root and all in all, I should know what God and man is."
"He who wants a rose must respect the thorn."
"A weed is but an unloved flower."
"In joy or sadness. flowers are our constant friends."

~ ~ ~

"Look at us, said the violets blooming at her feet, all last winter we slept in the seeming death, but at the right time God awakened us, and here we are to comfort you."
"Who would have thought it possible that a tiny little flower could preoccupy a person so completely that there simply wasn't room for any other thought?"
"Let us open our lives like a flower and be passive and receptive."

~ ~ ~

“You’re frustrated because you keep waiting for the blooming of flowers of which you have yet to sow the seeds.”

"We can complain because rose bushes have thorns, or rejoice because thorn bushes have roses."

“My love, I send to you a single rose for you will be my one and only.”
