We pray for groups who are in need.

Healthcare providers and others in harm's way, especially **Jean, Kaitlyn, K, and Mollie**; those in hospitals and facilities with other health needs besides COVID-19 who cannot have loved ones with them; **staff of Pointe Kilpatrick** and other care facilities; those in lockdown and isolation; teachers, students, and parents challenged with e-learning; those living in domestic violence situations; all who are coping with being furloughed from their jobs or who have lost their jobs; those battling addiction; fire and police departments tasked with keeping the peace; the systemic racism and social challenges in our country

We pray for those who mourn.

For family and friends of the **Fiore family** as they mourn the loss of their son; for families who have lost loved ones in this time and cannot mourn for them as we normally would; for victims and families affected by violence

We pray for those in need during miscellaneous circumstances.

Coronavirus spreading throughout the world; for wildfires in California and those in need on the Gulf coast; **Jenny D** (Andrew); those who provide essential services we need; the hotspots around the world deeply impacted by the virus; churches who are struggling to reach members and care for people; the injustice and violence around the country; wisdom for the states that are opening up in different ways; for administrators and teachers making important decisions about the education and safety of children in schools around the country

We give thanks for the faithfulness of God.

For neighbors and families who are willing to help one another; our Micro-pantry; for the return of work for some; and for the guidance to find ways to share our hope with the world.

We cling to the promises that God is always with us;
that there is NOTHING that separates us
from the love of God in Christ.
