What is Per Capita?

Per capita is how Presbyterians share equally, responsibly, and interdependently in the costs of governing the Presbyterian Church (USA). Per capita is:

- the major source of funding for the Presbytery;
- requested from every congregation;
- based on total active membership of each church; and,
- paid by the Presbytery to the Synod of Lincoln Trails and General Assembly regardless of what we actually collect.

Per Capita for 2021 is \$36.
